

Looking for Love (In all the wrong places) by Johnny Lee

I've spent a lifetime lookin' for you.
Single bars and good time lovers were never true.
Playin' the fools game hoping to win.
Telling those sweet lies and losing again!

I was looking for love in all the wrong places.
Looking for love in too many faces.
Searching their eyes, looking for traces
of what I'm dreaming of.

Hoping to find a friend and a lover,
I'll bless the day I discover
another heart, looking for love!

Well, I was alone then, no love in sight.
And I did everything I could to get me through the night.
Don't know where it started or where it will end.
I turned to a stranger, and just like a friend.

I was looking for love in all the wrong places.
Looking for love in too many faces.
Searching their eyes, looking for traces
of what I'm dreaming of.

Hoping to find a friend and a lover,
I'll bless the day I discover
another heart, looking for love!

Well, you came knockin at my hearts door.
You're everything I've been looking for.
No more

Looking for love in all the wrong places.
Looking for love in too many faces.
searching their eyes, looking for traces
of what I'm dreaming of.

Now that I found a friend and a lover.
I bless the day I discovered you,
looking for love!

In all the wrong places.
Looking for love in too many faces.
searching their eyes, looking for traces
of what I'm dreaming of.
